

Dexterity and quick thinking in a changing world

Armour Group Holdings Limited

The Armour Group is a Bermuda based group of companies which focuses on identifying structuring and transacting value opportunities within the insurance and reinsurance sectors. The Armour Group was formed by its two principals in 2007. It includes licensed insurers and reinsurers as well as specialized service companies.

Our business

Since our formation we have identified areas in the insurance and reinsurance sectors that we believe add value to the stakeholders in our business. We continually interact with our clients, investors, counterparties and partners to provide effective solutions to insurance and reinsurance companies and investments for capital providers to the industry.

Our business model is to utilize our expertise in providing solutions that create value for our stakeholders whether it is a specialized service, capital investment or a combined solution. The Armour Group team have many years experience in the insurance and reinsurance industry and can bring this considerable experience to provide the most effective solutions.

We have offices in Bermuda, the USA and the UK, giving us access to the global industry.

We believe that our detailed understanding of the capital and liability drivers in the industry together with our knowledgeable team which has analytical and structuring expertise, delivers transparent profitable products and resolutions for all our stakeholders.
